# Step 2: Wash Your Hands!

Let's wash our hands! We do it three times, all the way to our wrists.

Make sure to get all the tiny spots!

# Step 3 & 4: Rinse Mouth & Nose!

## Rinse Your Mouth

Swirl a little water in your mouth three times. Get all those sleepy crumbs out!

## Rinse Your Nose

Gently put a little water in your nose three times. It helps us breathe so well!
